Have you tried to find out why God never made any two things exactly the same? Why are there no two pebbles on the same seashore that are the same; and no two leaves on the same branch that are exactly alike?

Are you aware that out of the billions of people on earth today, none of them is exactly like you? God made you different so that you can make a difference. The earlier you discover your difference, the more impactful you become.

This book will push you hard enough to do the following four things:

- Discover your difference.
- Accept it enthusiastically.
- Put it to work creatively and
- Become overwhelmingly outstanding.

DAVID C. ONUOHA is the president of Youth **Empowerment Network** a Global Youth Initiative charged with spearheading youth transformation in nations.

A highly sought after speaker in conferences, conventions, seminars and exhibitions, David travels extensively around the world, addressing critical issues confronting young people in different nations. Because of his unusual insight into what it takes to curb youth restiveness, he serves as a consultant and adviser to governments of nations on youth affairs.

He is the author of destiny moulding books like **"Maximizing Your Youthful Season" "Be Different" "Understanding the Teenage Years"** and **"I wish I was not involved"**.

Before establishing his Youth Empowerment Organization, David served as a lecturer in Abia State University Nigeria, Chaplaincy of Covenant University, World Mission Agency Douala and Personal Assistant to Dr. David Oyedepo.

David holds Bsc, MURP and MBA degrees. He is married to Princess who partners with him and they are blessed with wonderful children.
